### AWARD-WINNING ACROBATIC COMEDY SWINGS INTO EDMONTON

From the creators of the Off-Broadway hit *Flight* comes a brand new acrobatic comedy for everyone out there who's ever had a roommate. ***Terms & Conditions*** premieres at the Edmonton Fringe in the Sugar Swing Ballroom, August 17th-26th.

When two unwitting roommates get stuck together in Apt 14G, breathtaking acrobatics and madcap physical comedy ensue! Will they learn to get along, or get stuck in a bind?!

This oddball acrobatic take on *The Odd Couple* has wowed audiences of all ages from San Diego to Winnipeg, and left them in stitches! Inspired by comedy greats Charlie Chaplin, Lucille Ball, and Laverne and Shirley, T&C took home the San Diego Fringe Award for Outstanding Physical Arts, and promises to take home more festival laurels this summer... if we can find somewhere in this tiny apartment to put them.

Directed by Ezra LeBank. Starring Cynthia Price and Taylor Casas. Created by the Company. Bossy Flyer inspires and entertains audiences, young and old, through acrobatics and physical comedy.

Ezra LeBank is the Head of Movement at California State University Long Beach, the author of *CLOWNS*, published by Routledge, UK, and the creator of Bossy Flyer. Cynthia & Taylor are graduates of CSULB and Circomedia Circus School in Bristol, UK. They teach and perform like bosses worldwide.
