HELL IS OTHER PEOPLE

## A 'GRAVITY-DEFYING' REMAKE OF NO EXIT

Three acrobats test the limits of human connection in a confined space with no words and no exit. A kinetic theatre experience packed with adrenaline and a slick soundtrack.

Inspired by French playwright Jean Paul Sartre's existential masterpiece **No Exit**, **Three** places our unsuspecting trio in an isolated room where they await their eternal fates. In a wordless adaptation, acrobatics replace language as the three discover that they're in hell, and their torturers are each other. As Sartre writes, "hell is other people."

Our acrobatic approach to theatre brings this thrilling story to life with breathtaking action and visceral suspense. Created by Taylor Casas, Ezra LeBank & Cynthia Price.
